

MADISON AVENUE SIDEWALKS

The City of Bainbridge Island is soliciting detailed statements of qualifications from consultant firms with experience in street and sidewalk design for improvements to the Madison Avenue Sidewalks project.

Project Description

The work to be performed by the consultant consists of preparing engineering plans, specifications, and cost estimates for improvements to the Madison Avenue sidewalks, located between Wyatt Way and High School Rd. The project provides for reconstruction and widening of sidewalks on the east side of Madison Avenue including ADA accessible ramps, as well as the retrofit of sidewalks on the west side for ADA compliance. Design elements include concrete curb and gutter, sidewalks, pedestrian ramps, driveway ramps, planter strips, landscaping, storm water structures, storm water laterals, and other related work. The consultant will also be responsible for acquiring physical survey data. A Federal Aid Grant has been awarded for construction funds.

The City of Bainbridge Island reserves the right to retain the services of the successful firm(s) for subsequent construction engineering, construction administration, construction inspection and materials testing phases associated with this project.

Requirements for Qualifications Responses

- Identify each person involved with the project team including technical partners, and briefly describe their respective roles, including:
 - a. Information regarding the team member's experience and qualifications.
 - b. Resume of key team members.
 - c. Description of how the team will be organized and led.
- Identify the project lead and their relationship to other members of the team.
- Describe the consultant's relevant project experience with similar projects. Projects described must illustrate the consultant's experience with preparing strategies and plans similar in scope to the proposed project.

Evaluation Criteria

Evaluation of RFQ responses will be based upon the following:

- Success in developing similar projects
